St. Luke news

An overflowing crowd attended the Cornerstone Baptist Sunday School Union at the Mt. Zion Baptist Church Sunday, March 29 at 9:45. President, Rev. Thomas Veneable was present and in charge of the meeting.

The Sunday School rooms were crowded with students of each department. The president conducted a very fine review. The offering was very good.

The youth program was a highlight and enjoyed by all.

All schools were represented. Rev. J. Cabell, pastor was present and gave the message for the occasion from Matt. 24:3-14. Subject, "The Signs Of Judgement" was very well taken. A sizeable amount of funds was left for the school. The ladies of the church served a delicious lunch. The meeting was closed to meet with the Promise Land Church School the 5th. Sunday in May 1981.

Sunday night at 7:00 the Cornestone Baptist Bible Institute. An auxiliary of the union met at the Greenspring Church for a 5 evening session. The pastor Rev. Carlton Jackson gave the key message for the meeting. Mrs. Louise Canada gave the welcome, Rev. Graham Marshall gave the dedication service to the workers for the different areas. The meetings closed April 3. It was helpful and enjoyed by all who attended.

Even though the weather was rainy a large crowd attended the regular preaching service at St. Luke Church, April 5 at 11:00 a.m. Rev. J. E. McLaughlin was present and in charge. The Sunday School was uplifting. The Adult Choir gave the music, Rev. McLaughlin conducted the devotions and Rev. Alvin Jones assisted. Rev. McLaughlin gave the message. Text Ecclesiastes 9:10, Hebrews 9:27 whatsoever thy hands find to do, do it with all thy might.

For it is appointed to man once to die. Then the judgement. This was handled with much challenge from the speaker.

The offering was very good. Then the pastor conducted a beautiful communion service at the close of this meeting. Many members of St. Luke went along with Rev. McLaughlin to Green Spring Baptist Church to attend the 3:30 mortigage burning services. This was well attended. The choir gave beautiful music. Every activity relative to the occasion was enjoyed and interestingly taken. Then a repass was served in the dining hall of the church.

Vinegar has many uses

By SHIRLEY W. WALTON
Extension Agent
Vinegar—A Kitchen Workhorse
NOTE: Because of requests, I am running this article again.

We use vinegar for pickling, preserving, tenderizing tough meat and fowl and adding a sour pungent flavor to dishes ranging from vinegar pie to tomato ketchup and salad dressing. Vinegar can be used in the following ways to help us with our homemaking activities:

Washing windows—Use 1 cup vinegar in 2 quarts warm water.

Burned-On Food—Remove burned-on food from a cooking pot by filling the pan with a mixture of hot water, ½ cup vinegar and 2 tablespoons of baking soda. Bring to a boil and let simmer for 30 minutes.

Shower Curtains—Remove soapy film or mildew and grime from shower curtains. Wipe with a cloth dampened with vinegar and then clean.

Grease-Clogged Drains—Grease clogged drains can be cleaned by pouring a handful of baking soda, followed by a cup of vinegar. (No caustic fumes escape when you use this type of solution.)

Lime Deposits—These deposits in coffee pots and tea kettles or double boilers can be removed when you cover the deposits with vinegar and let them soak.

Setting Colors—Add a cup of white vinegar to the water in final rinse cycle when washing new clothes. This will set the color. This also makes clothes smell fresh and clean.

Salt Stains—Salt stains from boots or shoes can be cleaned with a cloth dipped in white vinegar. Wring cloth out and wipe the boots or shoes clean.

Garbage Odors—Keep your sink's garbage disposal, trash cans and odor keeping containers free by pouring a cup of vinegar in them once a week. Let the containers stand overnight.

Ink Stains—Cover ink stains with salt for one minute. Then wipe with white vinegar.

Bread Box—Keep your bread box smelling sweet and fresh. Put one tablespoon of white vinegar in a cup of water and sponge clean.

Painted Walls and Woodwork—These will look like new after washing if you add a cup of white vinegar to the final rinse water.

Thermos Bottles—Clean the inside of thermos bottles with soap and water. Add a little white vinegar to the bottle and shake well. This will remove any odors that might collect.

Vinyl Floors—When vinyl floors are discolored by cleaners or tye, wash them with white vinegar and water.

Hard Cooked Eggs—Hard cooked eggs peel quickly and easily when several tablespoons of vinegar has been added to the water before cooking.

Perspiration Stains—These may be removed from clothing by sponging the clothing item with warm white vinegar. (Heat vinegar in saucepan.)

Hemlines—Remove a hemline from a garment by dampening that line with white vinegar. Rub the line briskly with an old toothbrush, cover with a pressing cloth and presto, the line has disappeared.

Here I would suggest that you use white vinegar anytime you are cleaning plastic or fabric.

SPECIAL MEETING: Spring Area Homemakers Meeting will be held April 22, 1981 at Monelison Junior High School, Amherst County. We will car pool and leave the Extension Office at 8:45 a.m. Please call for reservations for lunch.

If you have a homemaking question or problem, you may call 352-8264 or write P. O. Box 488, Appomattox, Va. 24522.

Have a good week!

RECIPE OF THE WEEK
Brian's Nutty Noodly Clusters

2-6 oz. packages chocolate and butterscotch chips (each one)

2-3 oz. cans Chow Mein Noodles

½ cup peanuts or cashew nuts

Melt chips in heavy saucepan over low heat, stirring constantly. Remove from heat and stir in noodles and peanuts or cashews. Spoon clusters onto wax paper. **Chill. Yield:** Makes 24 clusters.

Thanks to Brian Hudson for sharing this delicious recipe with us. He won a blue ribbon and an opportunity to compete in the Area 4-H Demonstration Contest using this recipe.

MRS. HELEN JENNINGS of Red House, (center), was the winner of two Family Bibles given away by WTFX Inspirational Radio on March 20. Shown with Mrs. Jennings are, from left to right, Mrs. Margaret Harris, manager of WTFX, Carrie Dawn Jennings, Mrs. Jennings, William Franklin Jennings, Jr., and the Rev. Austin Goodwin, pastor of the Seventh Day Adventist Church in Appomattox. It was to this church Mrs. Jennings gave one of the Bibles. Winners of LP's at the same drawing were: Janie Christian, Mrs. George Jennings, Sherry Doss, Ricky Lewis, Christine N. Cralle, Lettie Moseley, Dorothy Hamlet and Mary Kirby. Photo by Allen Austin.

Happiness is 4-H

4-H Pine seedlings will be delivered this week. A severe shortage of pine seedlings in the Division of Forestry nurseries has delayed the trees in this spring. The pines will not be specially packaged as they have been in past years and 4-H'ers will need to be careful in handling the seedlings.

* * *

Thirty-six 4-H'ers from Appomattox were involved in last Saturday's Area Junior 4-H Contest at Rustburg. 4-H'ers from Bedford, Campbell, Halifax and Amherst also participated in the program.

* * *

A 4-H Camp planning meeting will be held on Monday afternoon, April 27, 3:30 p.m. in the library of Appomattox Elementary School. A 4-H Camp committee will be invited to participate in this planning meeting and make suggestions for this year's 4-H Camp at Holiday Lake.

* * *

The State 4-H Soils Judging team will be practicing in Appomattox over the next several weeks as they prepare for the National Soils Contest to be held in Oklahoma in early May. Dr. Tom Simpson of the Agronomy Department at Virginia Tech is coaching the team. Three Appomattox 4-H'ers (Glenn McClenny, Dale Glover, Blair Smith) will be representing Virginia in the National Contest.

4-H Leaders are still needed to attend a 4-H camp during the week of June 15-19 with Appomattox County 4-H members. Give us a call at the Extension Office if you would like to help.

Mass meeting held

The Appomattox Republican Party, chaired by Robert W Carter, Sr., held a mass meeting in the Appomattox Court House Saturday, April 11.

Speakers and guests included Dr. Max Graeber, Republican Chairman of the 5th district, Kathy Graeber representative for Wyatt Durrette the republican candidate for attorney general, Susan Colbert and Dr. McHarris who represented Andrew Miller, republican candidate for Lt. Governor; and Ed Early, republican chairman from Charlotte County who was representing Guy Farley, republican candidate for Lt. Governor. Mr. Bob Henshaw, field representative for the 5th district from the state party was also present to answer questions.

The business meeting consisted of choosing delegates to the state convention in June. The following delegates were elected unanimously - Robert W. Carter, Betsy Carter, William S. Slagle, Sarah Slagle, Clayton Martin, Alice Martin, Kenneth Marston, Janice Marston, Maryanne Lewis, Terrie Cograd, Tylon Bollinger, Elaine Bollinger, Kenneth Jamerson, Betsy Jamerson, Robert Mc. Williams, Eleanor McWilliams, Doug Webb and Sheila Webb. Other business resolved was that Appomattox County would be a full-vote, non-instructed delegation to the convention this June.

All interested in joining or contributing to the Appomattox Republican Party are encouraged to contact any of the above member/delegates.

Concord VFD slates yearly fundraiser

The Concord Volunteer Fire Department will hold its annual carnival Friday (April 24) at the Concord Elementary School.

Supper will be served from 5-8 p.m. with a menu consisting of ham, turkey with gravy and dressing, candied yams, butter-beans, coffee, tea, homemade rolls and choice of dessert. Prices for the meal are adult plate with one meat, $3; adult plate with two meats, $3.50; and child's plate (one meat), $2.00.

The snack bar will open at 6 p.m. as well as other activities including a cake walk, country store, parcel post, fishpond, basketball throw, dunking tank, bingo and space walk.

A dance featuring music by The Waysiders will begin at 8:30 in the cafeteria. Various items will be donated off in the auditorium starting at 10 p.m.

This is the only fund-raising event the fire department sponsors during the year. Proceeds, after deducting expenses, will go toward operation of the department and paying for the new fire engine.

Saving dollars

Self-service gasoline pumps may save a few cents on the gallon—but they can cost extra repair dollars.

Motorists may be neglecting simple checks of oil, battery, radiator and tires that the station attendants do under full service. A driver who spends a few extra minutes on these chores can avoid unnecessary breakdowns.

Consumers who pump their own gas should do these chores every time they fill up the tank.

Check the engine oil and add a quart when the dipstick registers low. Save money by using oil bought at a store—it is cheaper than at the gas station. Invest in an oil spout and funnel if necessary to make the job neater.

Open up the vent caps on top of the battery to check its water. If water is below the plates or lower than recommended by the manufacturer, add distilled water. Regular tap water shortens battery life.

Check the fan belt and alternator belt for wear and tightness. A loose alternator belt can drain power from the battery.

Check the tires for nicks, cuts, tread wear, and proper inflation. Modern radial tires usually look "low" all the time so always check them with a pressure gauge. Remember, under-inflated tires cut gas mileage and shorten tire life.

Cleaning windows and headlights is an important chore. Keep the automatic windshield washer filled and operating. Clean glass is a must for safe driving. Dirty headlights can cut nighttime illumination by 75 percent.

There are other important checks that should be done periodically. When the engine's cold, check the radiator water level. Occasionally have a full-service station test the radiator water level for the proper mixture of antifreeze/coolant. He has the proper equipment.

Then, with the engine idling, check the transmission fluid by reading the transmission dipstick in the engine compartment. If more transmission fluid is needed, be sure to add it to the proper place. Do not add it where the oil goes. Use only the type of fluid for the make of automobile—and don't overfill.
